

**COMPANY PROFILE KRAATZ PTY LTD**

**MARINE & OFFSHORE**

# ABOUT KRAATZ

## ON-SHORE\_ OFF-SHORE \_MINING\_ INDUSTRIAL

**Kraatz, a subsidiary of the Ohlthaver & List Group of Companies, is a highly valued and trusted Namibian service provider with rich engineering heritage since 1947.**

As a multi-national company, Kraatz is well-known to national and international clients in the On-shore, Off-shore, Mining, and Industrial sectors. With established branches in **Walvis Bay, Tsumeb, Lüderitz, and Windhoek**, Kraatz provide their clients the best access to a comprehensive range of quality and value adding engineering solutions, fulfilling their unique needs and requirements.

**Kraatz core business provides specialized Estimation, Fabrication, Installation, Service, Repair, & Maintenance to an array of assets in the Industrial & Maritime engineering industries.**

# KEY FOCUS AREAS

## SECTORS

- ✓ MARINE & OFFSHORE
- ✓ OIL & GAS
- ✓ MINING & MINERAL PROCESSING
- ✓ RENEWABLE ENERGY
- ✓ F&B PROCESSING

## FOCUS AREAS

- ✓ PROJECT MANAGEMENT & OPERATIONS
- ✓ PROJECT SUPPORT
- ✓ RESOURCE MANAGEMENT
- ✓ FLEXIBLE & RELIABLE WORKFORCE OUTSOURCING
- ✓ STRUCTURAL STEEL FABRICATIONS / INSTALLATIONS
- ✓ SERVICE, MAINTENANCE & MODIFICATIONS
- ✓ PLANNING & COSTING
- ✓ MATERIAL HANDLING & PROCUREMENT

## KEY CLIENTS

- SCHLUMBERGER
- ENGEN
- TIDEWATER
- PESCANOVA
- SEAFLOWER
- PUMA
- ODFJELL DRILLING
- HANGANA SEAFOOD
- BLUE SEA FISING / PEREIRA
- NAMIBIAN NAVY
- TRANS OCEAN
- AFRISHORE
- DEBMARINE
- BOURBON
- NAMIBIAN FISHERIES

# OUR IDENTITY

---

## VALUES\_ VISION\_ PURPOSE

### Our Values

**Let's Talk** | Open, honest, down to earth, from the heart communication

**Let's do it** | Deliver on tasks with speed and quality

**Hooked on results** | Committed to delivering breakthrough outcomes

**We Grow People** | Taking responsibility and providing opportunities for growth

**We all serve** | Serving the purpose, owning the whole, everyone matters

**Naturally today for tomorrow** | Caring about the future, caring about everyone

**We do the right things right** | Bringing thinking to everything

### Our Vision

Being a preferred and trusted leader in the engineering sector, where our clients have full confidence in our capabilities to consistently deliver their specialized & complex projects in the most reliable and convenient way possible, creating value and long-term sustainability for all involved.

### Our Purpose

Kraatz exist because of its people who are passionate about working hard to solve complex problems in the industrial engineering sector. Ultimately to make a difference and ensure sustainable outcomes for all stakeholders, and by doing so boost our economy & standard of living for our communities and people.

### Our People

We believe that a company is only as good as its people, we therefore invest significant time and resources in development, and creating an attractive working environment for all our employees.

### Our Mission

By living our values, leading growth, and inspiring innovation, we deliver extraordinary results, creating a fulfilling future for our people.

### SHEQ

Our goal is to maintain and improve our culture of responsibility, where safety, health, environmental, and quality compliance in the workplace takes priority.

# MARINE & OFFSHORE

## WALVIS BAY\_ LÜDERITZ

**With years of experience in the Marine & Offshore sector, our motivated and skilled team of artisans provide a comprehensive range of marine and offshore, dry dock, and mechanical services** within the oil and gas, maritime, and fishing sectors. Our team successfully executes engineering services to offshore support vessel operators, fishing vessels, and offshore drilling companies.

With our flexible and skilled teams, and on site workshops, we successfully carry out mechanical maintenance and repair services, as well as reliable workforce outsourcing, to well-known local and international vessel owners and operators.

# OFFSHORE SERVICES

“ We strive to build lasting relationships by setting an example, living our values, being trustworthy and transparent, and keeping our vision alive ”

- ✓ PROJECT MANAGEMENT
- ✓ RESOURCE MANAGEMENT
- ✓ SKILLED SERVICE TEAMS
- ✓ PROJECT DESIGN
- ✓ PROCUREMENT/ PROJECT SUPPORT
- ✓ PROJECT CLIENT FACILITIES
- ✓ WORKSHOP/ MACHINESHOP FACILITIES
- ✓ STEEL FABRICATION & INSTALLATIONS
- ✓ MAINTENANCE
- ✓ ONE-STOP-SHOP CAPABILITIES

**INSTALLATION, SERVICE & MAINTENANCE OF OFFSHORE ASSETS**

# OFFSHORE SERVICES

## WALVIS BAY\_ LÜDERITZ

### SERVICES

- Project Management & Operations
- Multi-Disciplined Service Teams
- Flexible & Reliable Workforce Outsourcing
- Planning & Costing
- Procurement / Project Support
- Resource Management
- Project Design
- Steel Fabrications & Installations
- Service; Maintenance; & Modifications
- Specialised Welding
- Mechanical Work
- Structural Modifications
- Customs Services / Bonding
- Bunkering Services
- Launch Services / Taxis
- Project Client Facilities
  - Laydown Area
  - Workshop & Storage
- Quayside / Alongside Space
- Dry Docking
- Crane Logistics
- Project- Mobile Facility Units
- Scaffolding/ Working Platforms
- Rope Access
- Rigging
- 3rd Party NDT/INSP
- Installations/ Maintenance
- HSSE
- Blasting & Coating
- Machining
- Marine Electrical/ Technical
- Tech/Instrumental
- Hydraulics
- Tank Cleaning/ Gas Free
- Waste Material Handling
- Hull Repairs
- Conversions
- Propulsion Repair
- Pipework
- Travelling Repairs
- Carpentry

### CLIENTS MARINE & OFFSHORE

# RELIABLE WORKFORCE

**Flexible and Reliable Workforce Outsourcing:** Our highly skilled and experienced team offers a level of knowledge, proactivity, and attentiveness that is paramount to meeting our clients' project requirements. With seamless integration into client projects, we ensure streamlined collaboration towards shared goals.

For years, we have established strong partnerships with leading exploration and production companies in the offshore mining, and oil and gas industry. Through our service offerings, we provide support that drives efficiency in safety-focused environments. Safety is an unwavering core value and is reflected in our rigorous employee training programs to ensure the safe management of ongoing field operations. With our team of seasoned experts, we are optimally positioned to meet and exceed your unique needs.

## Fully compliant and ready to work:

- **Boilermakers**
- **Painters and Blasters**
- **Pipe fitters**
- **Engine fitters**
- **Mechanical fitters**
- **Tank cleaners**
- **Class approved welders**
- **Electricians**
- **Red Seal Riggers**
- **Tank Inspectors**
- **Scaffolders**
- **Estimators**
- **Insulators/ Ladders**
- **Rope access technicians**

## Classification Societies:

Our welders are coded/certified according to IACS standards at following members:

- **ABS**
- **BV**

We strategically follow and implement the standards, rules and regulations of the following societies:

- **ISO**
- **DNV**
- **LLOYD'S**

# MARINE WORKSHOPS

## FACILITIES AND EQUIPMENT- WALVIS BAY\_ LÜDERITZ

Our workshop facilities and equipment ensures your off-site repairs are handled efficiently, and delivered with precision and quality.

- ✓ **SPACIOUS WORKSHOP AREAS: 5200 M2**
- ✓ **EQUIPPED WELDING/FABRICATION AREAS**
- ✓ **LIFTING & HOISTING EQUIPMENT**
- ✓ **RED SEAL RIGGING TEAM**
- ✓ **STORAGE SPACE / LAYDOWN AREAS**
- ✓ **CLEANING & PAINTING AREA**
- ✓ **TESTING & INSPECTION AREAS**
- ✓ **OFFICE SPACE**

- **Press Brakes** (Max plate thickness 20mm; Bend length 3600mm)
- **Horizontal Rolls** (Max plate thickness 20mm; Max length 2000mm)
- **Guillotine** (Max plate thickness 13mm; Max length 3100mm)
- **Punching Machines** (Max hole size 30mm)
- **Plasma Cutters** (Max plate thickness 60mm)
- **Motorised Flame Profile Cutters**
- **Circular Saws**
- **MIG Welding Machines**
- **TIG Welding Machines**
- **Overhead Cranes** (16 Ton + 12 Ton + 5 Ton)
- **Hydraulic Presses** (180 tons)

# MACHINESHOP

## WALVIS BAY

### SERVICES

- Steel Fabrications
- Machining
- Maintenance
- Plasma Cutting
- Piping
- Platework
- Fitting
- Drilling
- Milling
- Line Boring

### EQUIPMENT

- Radial Arm Drilling Machines
- Thread Cutting Machine
- Milling Machines
- Boring Mills
- Pedestal Drill
- Lathes - small
- Lathes - large
- Circular Saw
- Arm Press - small
- Hydraulic Press - small

### MATERIALS

- Carbon steel (Lloyds Grade A)
- Stainless steel
- Aluminium
- Copper
- Yorcalbro
- CuniFe
- Duplex
- VRN wear plates
- Hardox wear plates
- Creusabro 8000

### LOCATIONS

- Walvis Bay
  - Fabrication Workshop 2300m<sup>2</sup>
  - Machine Shop 600 m<sup>2</sup>
- Lüderitz (750m<sup>2</sup>)

# SYNCROLIFT

## COMMON USER REPAIR FACILITY-NAMPORT

**Syncrolift** - Namports common user repair facility is ideally situated at the port of Walvis Bay. With our flexible and reliable teams, and our private on-site workshop, we are able to successfully carry out our mechanical maintenance and repair services to all our local and international vessel owners and operators.

- On-Site project support
- Workshop on site
- Close proximity to Kraatz main workshop & machineshop
- HSSE

- ✓ WORKSHOP AREA UNDER ROOF: 240 M2
- ✓ EQUIPPED WELDING/ FABRICATION AREAS
- ✓ LIFTING & HOISTING EQUIPMENT
- ✓ 5 TON OVERHEAD CRANE
- ✓ RED SEAL RIGGING TEAM
- ✓ TESTING & INSPECTION AREAS
- ✓ OFFICE SPACE

- ✓ Syncrolift lifting capacity; 2000-ton displacement
- ✓ 80m length, 14m width, max draft 5.2m
- ✓ 5 x bays of which 2 is 50m, and the rest is 105m
- ✓ 4 x floating repair jetties of 105m each
- ✓ Average 50 vessels per month
- ✓ ISO Accredited

## FACILITY AND EQUIPMENT

**The Port of Lüderitz** is strategically located on the southwestern coast of Namibia making it an important base not only for the fishing & diamond mining industries, but also for the offshore oil and gas industry. The Port of Lüderitz offers excellent logistical services and serve as a catalyst for trade facilitation along the Trans Oranje Corridor Route. Deep water anchorage is available inside the harbour, and is protected by the natural bay. Port of Luderitz provide high safety and security standard, with efficiency and productivity and Minimal-Sea born transit time.

### EQUIPMENT

**WORKSHOP AREA: 750M2**

- Lathe
- Milling Machines
- Plasma Cutter
- Plate Roller
- Straight Arm Band Saw
- Hydraulic Press
- Angle Iron Roller
- Cropping Machine
- Guillotine
- Hoisting Equipment
- Pipe Bender
- Bench Drills
- Sandblast pot
- Reservoir comp tank
- Compressors
